

Purchase Order Acceptance Policy and Terms

Purchase Order Receipt and Acknowledgment: West Coast Quartz (WCQ) also known as the Seller, at its sole discretion approves or rejects the receipt of internal or external Buyers purchase order(s) provided for goods and services offered by WCQ or its affiliates. Notification of acceptance or rejection of a Buyers purchase order(s) will be provided within twenty-four (24) hours of receipt of that Buyers purchase order(s).

WCQ will schedule a fulfillment production order to satisfy all approved Buyer purchase order(s) and will provide a Sales Order Acknowledgment confirmation to the Buyer. This confirmation will include an estimated delivery date for shipment of goods or services by WCQ. Buyer cancelation of approved and confirmed purchase order(s) must occur within seventy-two (72) hours of WCQ Sales Order Acknowledgment confirmation transmission. Failure by a Buyer to provide cancelation notice during the seventy-two (72) hour period voids the notice to cancel and at the discretion of WCQ will constitute a binding agreement by the Buyer to purchase goods and services as described in their entirety.
